

THE GOOD, THE BAD &

THE SUPERSLICE

RAW iGaming is proud to introduce our new, patent pending, mechanic, SuperSlice®. An innovative new mechanic which is easy to understand, delivers an exciting player experience with dynamic gameplay and provides the chance for massive wins on every spin.

The Good, The Bad & The SuperSlice® - The small town of Black Hill is threatened by the dirty Jameson Gang with their evil leader Gus Jameson, who will stop at nothing take over the town and its claim to the lucrative Black Hills gold mines. The town has hired you to protect their town as Sheriff and ensure the livelihood of the good families of Black Hills. Save the town from the Jameson's and the town will pay you riches beyond belief.

The Good, The Bad & The SuperSlice® uses our patent pending SuperSlice® wheel, as well as the new SuperSlice® Split feature offering up to a 20 times symbol split multiplier payout. With a new dual wheel, symbols on the front wheel, features on the back wheel, this game offers even more anticipation, not to mention the retriggerable free spins, a symbol upgrading guaranteed win respin and an incredible shootout round where you can take home upwards 25,000x your bet if you take out the Jameson gang.

SUPER SLICE™

The patent pending SuperSlice® engine delivers dynamic slices to the dual wheel, between 2 to 12, on either wheel so players never know how many slices or what those slices will hold, or which wheel they will win on. This game also features our new SuperSlice® Split feature that when triggered can split any winning symbol up to 20 times in the Buffalo Guaranteed Win Respins.

GAME FEATURES

SUPERSLICE SPLIT

With the new SuperSlice® Split feature symbols are split up to 20 times during the Buffalo Guaranteed Win Respin feature, multiplying the value of the winning symbol by the number of splits.

SUPER SLICE® SPLIT

GUARANTEED WIN BUFFALO RESPIN

If the Respin Gun is hit on the feature wheel, you run with the buffalos and are awarded a guaranteed win respin. All losing symbols are removed (all symbols get a SuperSlice® Split golden band) and replaced with new symbols and a gun appears with up to 5 shots, upgrading randomly the symbols on your wheel. A symbol can be upgraded more than one time and all symbols become SuperSlice Split activated. The wheel respins, a symbol is chosen and a SuperSlice® Split occurs, splitting the symbol and multiplying its value up to 20 times.

GOLDEN COINS

If a golden coin is hit in the feature wheel, the coin spins to randomly show a value between 1-10 that multiplies your bet times the value on the coin.

BONUS BULLET

If a bonus bullet is available on the feature wheel, the wheel begins to burn with anticipation. If a bullet is hit in the feature wheel, it loads your favourite 6-shooter and triggers the Jameson Gang Shootout. When loading your gun, it randomly chooses if the bullet is silver, bronze or gold which represents the value range of the bullet when the Jameson Shootout is triggered.

JAMESON GANG SHOOTOUT

Hit the Bonus Bullet, load your favourite 6-shooter and start the Jameson Gang Shootout feature awarding up to 25,000x your bet. The Jamesons have attacked the town and you as Sheriff must save the town. Pick one of the Jameson gang members (or auto-pick), spin the bullet cylinder and take a shot. If you hit one of the Jamesons you have a chance of multiplying the bullet amount up to 5x or win new bullets. Hitting an empty bullet chamber in the gun gets you shot and wounded by the Jameson gang. Get hit three times and you lose the shootout ending your round.

Successfully shoot all of the bullets in your gun or kill the entire Jamesons gang, triggers the showdown with the big boss Gus Jameson. The gun reloads with high value bullets, ranging from 40x to 5,000x, and you get one shot to take the boss down or be shot yourself. Hit Gus and multiply your win by up to 5x.
